    - G. Russell motioned to table this until the reports are clearer. B. Antibus seconded this and it passed unanimously.

Old Business

- T. Allen spoke about the Community Advisory Committee and how we are in the beginning stages of this process. "we've been to trainings through the Community Foundation and are working on developing or organizing, etc...that you have. She said there is some upcoming training on this process and we are working on establishing a time frame for it.

- J. McCleary presented a report from the Education and Outreach Committee.
  - She said the group has discussed use of the BRWP tent and that P. Martin will develop a proposal for tent use.
  - D. Kozlowski said he is going to get more information about the canoe trips on the river.
  - P. Martin talked about the watershed report card and TCF grant.
a. It was discussed that right now we do not have the data for a watershed report card but that we could publish an informational brochure instead.
b. Discussions were had about the watershed report card and how it was completed last time.
c. G. Russell motioned that we go to The Community Foundation and ask them to withdraw our letter of intent for the watershed report card as we do not have the data to complete it at this time. T. Macke seconded and it passed unanimously.
d. T. Allen directed the project back to the Education Committee with instructions to research information on cost of preparing new brochures and make recommendations to the board at the June meeting.

- The Education Committee has also talked about having some farm tour/field days of demonstration farms. The BRWP will apply for an Ohio Environmental Education Fund grant from the Ohio EPA.
  o T. Brugeman motioned that we proceed with this proposal and E. Reynolds seconded. It passed unanimously.
  o P. Martin said a timeline for this would be ready for the June meeting.

- T. Allen notified the board that we still need a chair or co-chairs for the Education, Communication & Outreach committee and the Stewardship and Membership committees.

New Business

- **Code of Regulations**
  o The board governance committee is looking at the regulations to see what needs to be changed to meet how board member terms are filled.
  o There will be proposed changes for a membership vote at the annual meeting to make sure the By-laws and Code of Regulations are in compliance.

- **Theory of Change Seminar**
  o D. Kozlowski said he and J. McCleary attended a “Theory of Change” seminar and that it was a rather standard seminar to refresh groups on the process of strategic planning.
  o He asked the group if perhaps we need to amend our mission statement. Discussions were had about this as well as reviewing our strategic plan. Kozlowski offered to take the lead in reviewing our Strategic Plan and how this could change the plan. W. Doyle and J. McCleary volunteered to help.

- **Rain Barrel Project Binder**
  o E. Reynolds presented the board with a binder containing all information regarding how the Rain Barrel Decorating project is conducted. There was general agreement that it was very well done.
